- We all need to make more of an effort to come at lunches.

- Had to print off Eco Edjit as some have went missing. Create a rota system to ensure we keep up with this.

- Energy man hasn't replied to letter so Mr Knight is going to sent him a letter soon in hope he might reply.

- We need to put up all the light switch labels all over the school. (done)

- At open evening the waste aware said there may be a chance to go on a trip with them.

- Curriculum oddits... WE NEED ENGLISH!!!!

Thinking about what we could spend £200 on to benefit the whole school.

Ideas:

Bins.

Recycling...something on wheels.

Vetgtable patch...would help to cover our healthy eating for our second green flag.

- Investigate for Tuesdays meeting.
