Themed lessons - s1 litter, waste and recycling leading to s1 clean up

S2 - energy

Assembly - Rag Bag - introduce it to the school and have a comp during
regi classes to collect clothes, get house points for each black bag? Have
this during the assessment.

Showcase work. Let people know about green flag, Get first years along.

Billie, Taylor and crew to do this.

Mrs D to get bird feeding done.

Get bird feeding up to date for the green fag assessment

Get PowerPoint for Pughay

Miss R will send out videos from you tube about global warming, deforestation ect and challenges (brain teasers for eco)

Make people aware of saving energy in home, aim at teens, such as turning of lights, laptops ect.

Do surveys with people via survey monkey.

Capture info about stuff going on around school - video different things in different departments. People will sing up to do this.

Be at Miss R's room on Tuesday.

Green flag.

30th of September at 10:30.

Lead round by students.

Meeting at 11:00 and assessor will speak to us. The walk round will be to see if we have any litter. Take women to lesson that has an eco theme.

All this will happen in 2 hours. 4th years wont be here.

Not sure of questions that will be asked. Look at folders in Mrs D's room.

Target chewing gum problems. People who have detention should clean the chewing gum under the desks and chairs.

For next meeting - how to solve chewing gum problems.

Other matters - we were offered an extra bin but never got it because of money. We can write to amey esp to ask for money for bin. 4th years to help write letter.

Ask for more badges.

Positive referrals for everyone here!!
