Gracemount High School		S5/S6

GHS Study Log

Name:		**Tutor Group**:	

S5 and S6 courses are **very** demanding. In order to get the grade that you deserve, you not only have to work hard in class but in your own time also.

Revision of course content is **vital**. Complete this study log every time you do any studying for a subject, even if it is a homework exercise or attending G.A.S.S.

Be warned - Your subject teacher may check your study log from time to time. If they see that you have not filled it in for some time, they will let your mentor know about this and your mentor will raise it with you at your next meeting!
