

Easter Study School 2018: April 3rd – April 13th

Dear Parent/Carer,

The school is once again delighted to offer additional support in preparing for SQA examinations during the Easter holidays. This has proven extremely successful in the past in giving pupils a final, focussed push towards achieving their potential

The subject sessions available on each day are detailed on the attached Choice sheet. The revision sessions will run between 9.00am - 11.00am & 11.30am – 1.30pm.

The subject sessions will be held in the indicated teacher's classroom. Refreshments will not be available during the day as the canteen will not be open. There may be some snacks available from the vending machines but it will not be re-stocked over the holiday.

To secure a place on the study programme pupils will be expected to pay a **single deposit of £10** when they hand in their form. If they attend all the sessions they have signed up for the £10 will be returned to them at the start of the new term.

Pupils will have to sign in and out of school every day they attend, and should only be in school if they are attending a study session.

If you have any concern with this deposit payment, please contact Mr Hutchison. This will not be a barrier to participation.

Pupils must return this form to ensure a place will be allocated in the subject of their choice. Should there be very small numbers wishing to attend a particular session it may be cancelled so pupils should ensure they indicate all the sessions they wish to attend at this stage.

Instructions for completing the attached choice form:

- Select 1 study class per session (9.00am - 11.00am and/or 11.30am – 1.30pm) by placing a tick in the relevant box. Pupils do not have to select a session in every timeslot.
- Target the subjects in which you require the most support.
- Ensure both the pupil & parent signature section is completed.
- **Return the form to the school office with £10 deposit by Monday 26th March**

I would like to wish all our pupils involved in SQA exams a happy Easter but also a productive one. Time invested in focussed study over this crucial period will pay genuine dividends in May/June.

Happy Easter!

Mr I Hutchison
