

Gracemount High School Formal Assessment Timetable November 2020 to February 2021

Formal Assessment Timetable for National 5, Higher and Advanced Higher

Formal Assessments for National 5, Higher and Advanced Higher courses will take place between **23 November 2020 and 5 February 2021**.

The timetable is listed in this document, starting on page 2.

Most assessments will take place in class time and they will either be held in your normal classroom or in an exam hall.

Below are some items of good practice which you should note:

- You should attend school as normal when you do not have assessments, and school uniform should be worn, although you may also wish to bring some warmer clothes as the windows may be open to allow for ventilation
- Please use the accompanying timetable to plan your studies and ensure that you are aware when you have an assessment.
- Please report to the classroom/hall in plenty time to start the assessment.
- Some assessments will run over the end of the period. If this happens, you should go to your normal class when the assessment finishes, unless it is breaktime, lunchtime or the end of the day, or unless a break has been specifically arranged by your teacher.
- Your teachers will be present during formal assessments so please follow their instructions.
- Bring all the equipment you will need. All exams must be written in black or blue pen unless you are told otherwise.
- **NO MOBILE PHONES, iPads OR MP3 PLAYERS SHOULD BE TAKEN INTO THE ASSESSMENT – IF YOU DO THEN THEY MUST BE SWITCHED OFF IN YOUR BAGS**

Your teacher will be letting you know about any specific requirements which are not listed on this timetable – this may include special instructions for rooms, or any equipment that will be required.

If you have any concerns or questions about these formal assessments then you should speak to your subject teacher in the first instance.

Mr Mackenzie
