

## SQA Examinations 2019

### Study Leave

---

#### **S6 Pupils**

S6 last day activities will be planned for Friday 5 April. More details will follow.

From week beginning Monday 22 April, all S6 pupils will commence study leave. Pupils will only be required to come into school to sit their National Examinations.

Individual class teachers can make arrangements for S6 pupils to attend classes on Tuesday 23 and Wednesday 24 April where appropriate.

#### **S4/5 Pupils**

From Thursday 25 April all S4/5 pupils who are sitting 2 or more National 5's or above will commence study leave. Pupils will only be required to come into school to sit their National Examinations. All other S4/5 pupils should attend class as normal until Friday 10 May.

Any pupil sitting 1 N5 examination only will be entitled to two days off school prior to the exam to prepare for the exam.

***Please note National 5 Administration and Higher PE pupils will have permission to be off school on Tuesday 23 April to prepare for these examinations.***

From Monday 13 May to Friday 31 May, our Meaningful May programme, aimed at those pupils who are sitting 1 N5 exam only or not sitting any exams, will commence.

#### **All Pupils**

From Monday 3 June, the new timetable will begin.

In almost all circumstances, pupils will study at home. However, any pupil wishing to use the school as a base to study should contact their Guidance Teacher to gain permission to access the school. Pupils must sign in at the school office and can only access the school library unless otherwise agreed by a member of staff.

**Please note that pupils should wear school uniform at all times when entering the school. Failure to do so will result in pupils being asked to return home.**
